Even Cooling

Multi-Air Flow Cooling uses multiple air vents along with deluxe shelving to ensure that an equal amount of chilled air reaches each shelf for quick and uniform cooling. This keeps your food fresh longer.

Customizable Storage

Fit taller items in the door with a convenient shelf that flips up for more storage. LG's folding door tray along with a full width Glide N' Serve Pantry Drawer gives you more custom storage solutions for your whole family.

Environmentally Friendly

Energy Star® rated, which means it uses at least 20% less energy than required by current federal standards.
